REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)

10622.6802

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 6,012,171, granted January 11, 2000, and for which a

reissue patent is sought on the invention entitled APPARATUS FOR PROTECTION DURING THE USE OF HAIR DYE OR COLORING

the specification of which

☒ is attached hereto.

☐ was filed on _____ as reissue application number _____ / _____
and was amended on _____
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

An error was made in not claiming an absorbent pad and an adhesive member with the adhesive member coming in contact with the forehead area to retain the absorbent pad. The issued claims are too narrow as they require a lining in addition to the absorbent member.
